### Information Sought in Killing and Waste of Carbon County Buck Deer

**October 03, 2011**

Carbon County -

On September 30, 2011 operators with the UTiP Hotline received a call concerning the headless carcass of a mature buck near the town of Scofield. Sgt. Stacey Jones confirmed that the animal had been shot and left to waste, appearing to have been killed on September 29th or 30th.

Reported by a concerned citizen; the animal had been caped, it's head removed and the remainder of the carcass abandoned.

Anyone with information regarding the killing and waste of this deer is encouraged to contact the UTiP hotline at 1-800-662-3337. The identity of reporting parties will be kept confidential upon request. A reward is offered for the arrest and conviction of the individual(s) responsible for this crime.

**Wasted buck deer found near Scofield in Carbon County**
